

ENKA ONLINE SPORTS SCHOOL

For Enka Sports Schools Online registration platform please click the following link <https://enka.gympro.online/>

It is a platform for the users to purchase sports school through the online portal.

When the portal is first opened, the login screen will appear. Users who will log in for the first time on this screen click on the "Create Now" link and after click on the "Create a sports school registration" option. An account is created by typing the requested information and the purchasing step is started.

If the student who will register has previously received training at ENKA Sports Schools, the student can enter the system with the TUR ID number of the student.

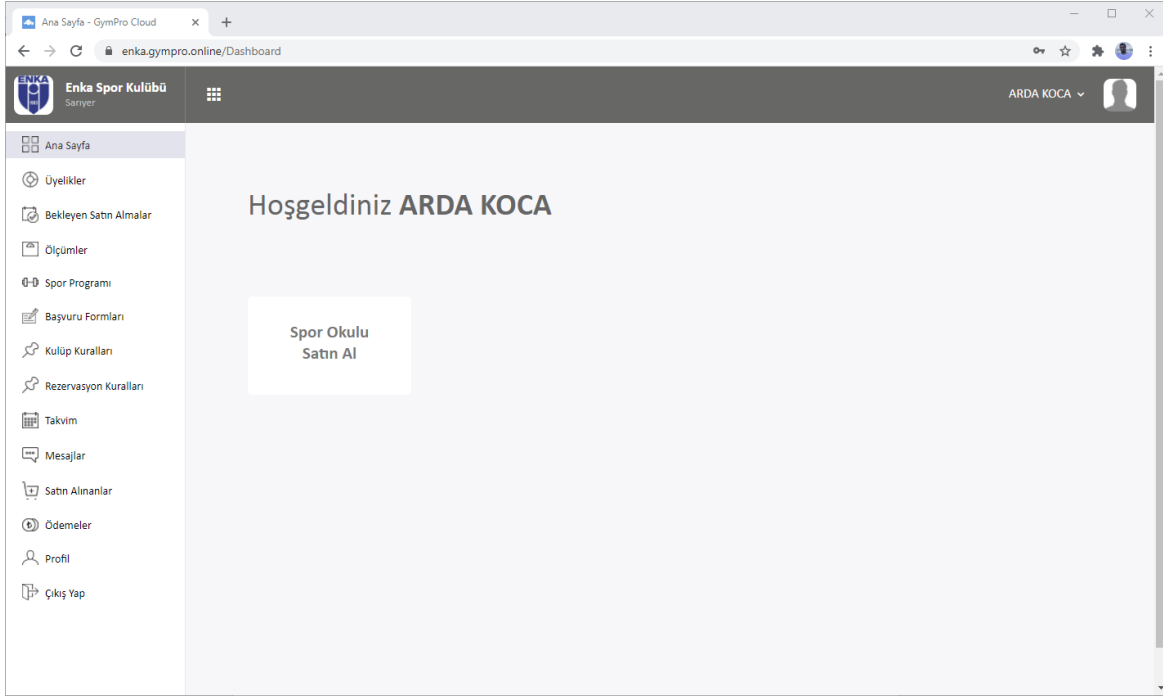

The first screenshot shows the login screen for Enka Spor Kulübü. It features the ENKA logo and the text "Enka Spor Kulübü Devam etmek için lütfen giriş yapın." Below this are input fields for "Kullanıcı Adı" (Username) and "Parola" (Password), followed by a "Giriş Yap" (Login) button. There is also a checkbox for "Beni hatırla." (Remember me) and a link "Bilgilerimi hatırlamıyorum." (I don't remember my information). At the bottom, it says "Henüz hesabın yok mu? Hemen oluştur!" (Don't you have an account yet? Create now!).

The second screenshot shows the registration options. It features the ENKA logo and the text "Enka Spor Kulübü". Below this are two buttons: "Spor salonu kaydı oluştur" (Create gym registration) and "Spor okulu kaydı oluştur" (Create school registration). There is also a link "Zaten hesabınız var mı? Giriş Yapın!" (Do you already have an account? Login!) and a "< Geri" (Back) link.

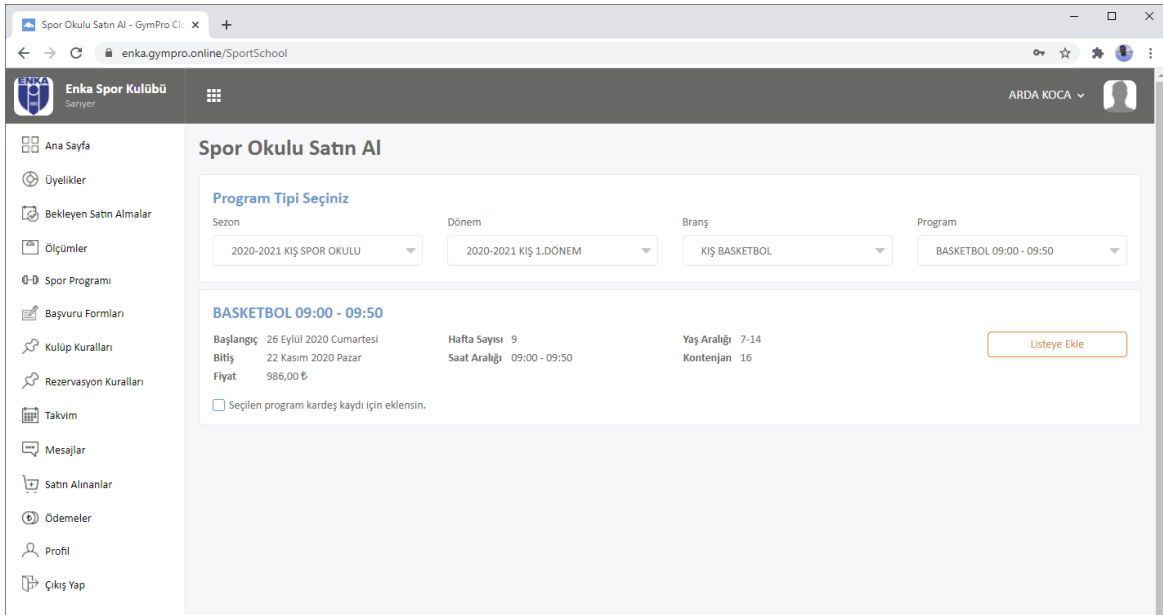

The third screenshot shows the "Yeni Kayıt Oluştur" (New Registration) screen. It features the ENKA logo and the text "Enka Spor Kulübü Yeni Kayıt Oluştur". Below this is a field for "T.C. kimlik numarası giriniz" (Enter your T.C. ID number) and a "Devam" (Continue) button. A yellow box contains the text "Bu alanda öğrenci kimlik bilgileri ile kayıt oluşturmalısınız." (You should create a registration with student ID information in this area). There is also a link "Zaten hesabınız var mı? Giriş Yapın!" (Do you already have an account? Login!) and a "< Geri" (Back) link.

On the screen that opens you can indicate TC ID number.

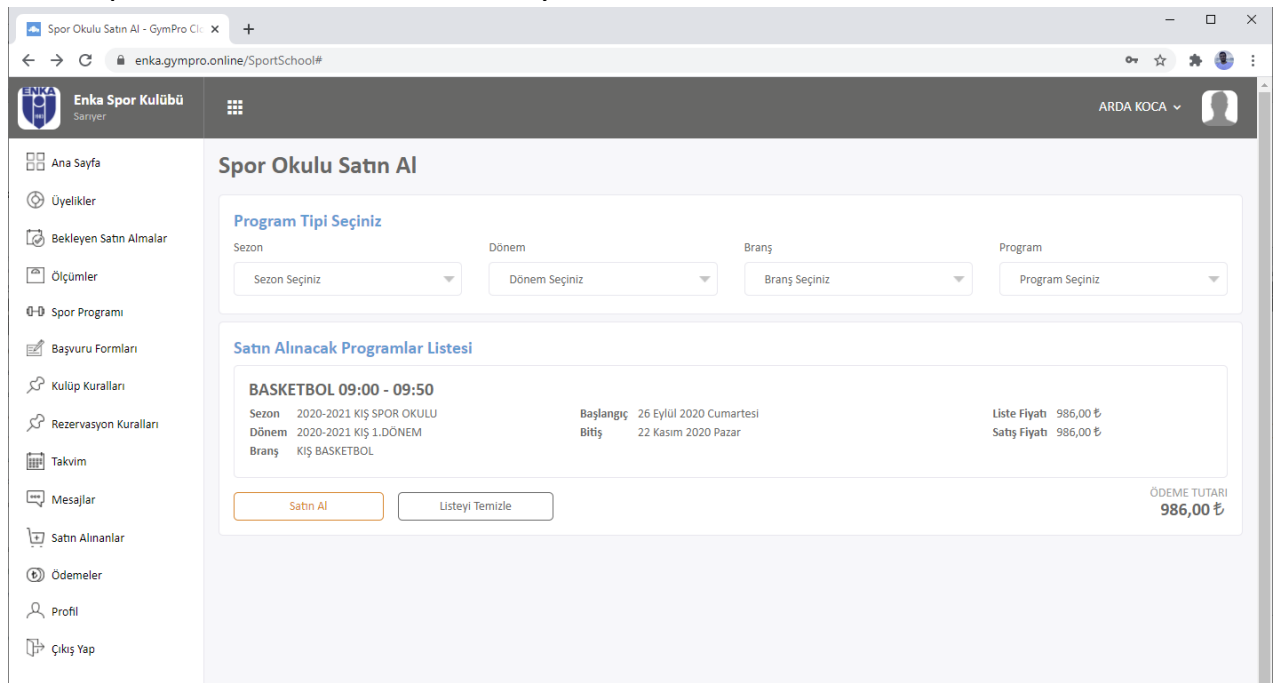

After the account is activated, users are greeted with a menu as follows. From this screen, they can view the current sports school programs or buy a new sports school program.

With the procurment Sports School option, ENKA Spor makes the purchase by selecting the terms and branches open for online sale. If there is some special discounts as written in explanations the system will automatically apply the discounts. In addition, if the sibling information is defined to the system by ENKA Spor, the selected program can also be purchased for the sibling.

After selecting the program, the program is added to the purchase list with the Add to List option. When the program adding process is completed, it is directed to the purchase screen with the Buy button.

The payment process is completed securely by entering credit card information on the purchase screen. If the person has an e-wallet balance, they can use this balance to purchase. If any difference will remain in this case, the credit card will be charged as much as the remaining difference.

If the payment process is completed successfully, the purchased Sports School program information will be added to the GymPro system automatically.
