

ENKA SPORTS, EDUCATION AND SOCIAL ASSISTANCE FOUNDATION; ENKA SPORTS CLUB ASSOCIATION AND ITS COMMERCIAL ENTERPRISES

QUALITY DECLARATION

Founded in the year 1983, the objective of the ENKA Sports, Education and Social Assistance Foundation is to develop and educate Turkish youth at the level of contemporary civilization and raise successful young people for Turkish society. The ENKA Foundation, which since its establishment has configured all its activities under the theme "The Future Belongs to Young People," continues its works in the Sadi Gülçelik Sports Arena, the home of sports, culture and education with ENKA Schools, ENKA Sports Club, ENKA Culture & Arts and Adapazarı ENKA Schools and the Gebze Private Technical and Industrial Vocational High School.

Enka Sports Club

The main objective of our Club is to strengthen the fraternity feelings of our young generation with administrators, instructors and trainers, who are experts in their fields, and to develop their unity and solidarity. The aim of our Club is to raise an army of athletes who will become champions at national and international levels for Turkish sports within the framework of the rules of the national and international sports federations in which our Club is active. In this regard, our main objectives are as follows:

- * Ensuring the physical and mental development of athletes; encouraging them to love sports and cultivating a spirit of amateur athletes in accordance with the "General Objectives and Main principles of our National Education";
- * Developing sports training and ethics;
- * Contributing to their "physical, mental and intellectual" developments by ensuring their participation in sports activities with regular and modern training methods;
- * To provide young people with healthy dynamic personalities who are able to learn by experiencing "friendship, friendship, sharing, competition";
- * Revealing their "interests and talents" in sports and ensuring that in the future they become champions and record holders in their fields;
- * Ensuring that children who are selected for our groundwork team from our sports schools, from neighborhood schools and competitions form our teams of the future;

ENKA Culture & Arts

While preserving our identity as an institution that carries out its activities with outstanding success with regards to quality and satisfaction, we will continue to give support to create the artists and spectators of the future. We will continue to be a Culture and Art Institution of which artists, art-lovers and employees feel glad to be a part. In this regard, our main objectives are as follows:

- * We will support the continuity of art activities in Turkey and bring spectators together with contemporary and modern works of art and displays.
- * We will bring art-lovers together with an elaborate program comprising concerts, from classical music to jazz, from pop to world music; classical modern ballet and dance shows, theater plays and exhibitions in different disciplines.

ENKA Sadi Gülçelik Sports Arena

By operating the *Sadi Gülçelik Sports Arena*, our primary objective is to understand and meet in the quickest way the expectations of existing and future users, working so as to maximize the satisfaction of our users. In order to successfully conduct the competitions and organizations at our facilities, reach our objectives and increase our means;

- * We will operate our facilities in accordance with accepted standards and legal regulations in a way that is safe, clean, healthy and environmentally friendly and we will become a model for similar facilities.
- * We will try to provide services for our users by offering them modern technologies and means.

Our Main Principles

Since our establishment, we have adhered to the principles mentioned below to carry out our mission, and will continue to respect them in the future.

- * Not compromising on general and professional ethics,
- * Besides fulfilling our legal obligations and abiding by the written rules, always adopting a constructive attitude towards our employees, shareholders, customers, partners and society,
- * Being open to new ideas, using the latest technologies and always looking for ways to improve,
- * Being sensitive and attentive to occupational safety and environmental protection.
- * Seeking our competitive advantage in the perfection of our administrative, technical and athletic skills
