GENERAL INFORMATION

ENKA Sports Club has been serving Turkish sports since 1983, continuing its work to equip Turkish youth with superior intellectual and physical qualities.

Our Club, which set out with the slogan "The Future Belongs to the Youth" at the Sadi Gülçelik Sports Complex, established on a 110-decare lush green area in İstinye; It implements a quality education system in club teams and sports schools.

ENKA Sports Schools; It provides sports training to our children with qualified content in the branches of tennis, padel, swimming, football, volleyball, basketball, table tennis and gymnastics.

Athlete students who are selected to our infrastructure groups after passing the qualified training of our sports schools; They become champions, record breakers and national team athletes of our club.

Our children who attend ENKA Sports Schools, which are staffed by competent instructors with over 40 years of experience and knowledge in their branches;

- To improve sports education and morality,
- Ensuring that they stay away from harmful habits,
- By enabling them to participate in sports activities with regular and modern training methods; To contribute to their physical, spiritual and intellectual development,
- To enable them to learn friendship, sharing and competition by experiencing it, To bring healthy, dynamic young people with personality to the society,
- To enable them to join the champions and record holders of the future in their fields by revealing their "interests and talents" in sports,
- To ensure that the children selected from our sports schools to the infrastructure from our big teams in the future, are our main goals.
